

Y2 Observational Drawings

Year Two have made close studies of the peppered moth (*Biston Betularia*.)
You can see some of their beautiful observational drawings above.

UN Convention on the Rights of the Child
Article 29: Goals of Education

Y2 Release Their Butterflies

Year 2CP have released their butterflies. After watching them grow from caterpillars to butterflies, they carefully selected where to release them. They chose the forest school area because there are lots of flowers to suck up nectar from, plenty of leaves to lay their eggs and protection from the wind. They carefully released them and protected them as they explored their new home. Pupils also investigated the favourite colours of insects using coloured paper and made some food for the butterflies out of ripe fruit, sugar, and water.

What we love about nature...

The camouflage of lizards and their multi-coloured DNA.
(Mason)

The sounds and movement of wildlife.
(Chloe)

Tigers roaring!
(Yuvraj)

Bees buzzing around all over the place. (Jackson.)

A fast Komodo Dragon and its strong, stretchy tongue. (Hugo)

The colourful butterflies fluttering by. (Rishi)

The colours, movement and sounds of the sea.
(Seb)

Foxes jumping around.
(Aaradhya)

Insects swooping.
(Jake).

Jaguars running and pouncing for prey. (Erin)

Fishes swimming and doing the loop-the-loop. (Joshua)

love nature
and don't harm

NATURE

by Julian. Don't harm
trees and wild.

Ready, Steady...Go!

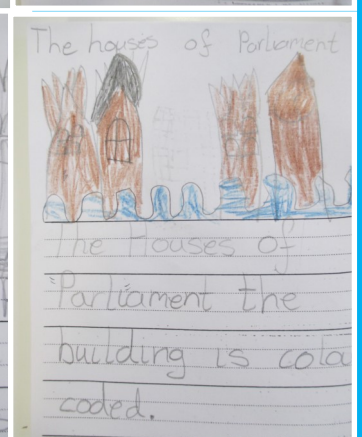

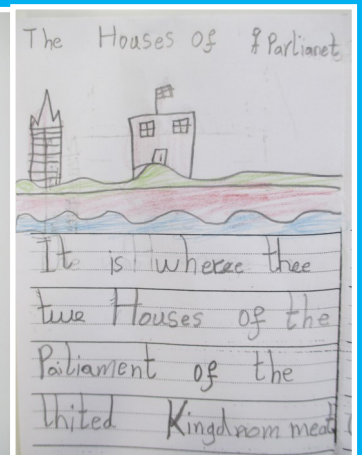

Children across the school are really enjoying getting out of the classroom and being active. Pupils experience a wide range of physical activities as part of the curriculum including dance, gymnastics, athletics, ball games and team sports. Here are Year Three playing dodgeball with Inside Coaches. You can also see Y6 relaxing as part of a Riverbear Yoga session.

and Relax!

London Landmarks

Year One have been learning all about London and its famous landmarks. The children wrote and illustrated their own books to show off their knowledge. The books included information on Tower Bridge, Buckingham Palace, The London Eye and The Houses of Parliament.

Y4 Debating Skills

Year Four have been learning how to construct a persuasive argument both orally and in writing. Pupils imagined the following scenario: that developers are planning to build a skate park over Jephson Gardens. In groups, the children discussed the arguments for and against the development and then went on to formally debate the situation. The children made some very passionate arguments and proved themselves to be powerful orators.

Y4 Mountain Stories

On the valley of the snow-capped, majestic Mount Everest, near the enchanted forest that was glistening in the distance, close to the colossal, misty mountains, lived the Adi tribe. This tribe did work every day. When they went fishing (three times a week), they walked near the tropical rain-forest full of life and fish in the flowing water. – **Dylan**

Tayeng stood up for himself as a confident and determined person from the Adi tribe. Tayeng's luscious, thick hair brushed against the top of his forehead as the trees drifted in the freezing wind. He would always push his tousled hair out of his face with his hand as his bright, quick eyes darted everywhere in search of any sort of activity. Usually the fun ones. - **Lexi**

There was one person in particular. His name was Tom. He wasn't your normal kid. He climbed Mount Fuji in his spare time. No, Mount Fuji was definitely not as tall as Everest but it took him six hours to climb. He was a shy kid. His fringe covered his eyes so not even he knew what colour they were. Though he did have a friend. He was called Jerry. He was a confident young man and Tom's opposite but somehow they got along. – **Jake**

On a frosty, wet day with the leaves dancing in the breeze, Jackie and Sammy woke up to the sound of the wind deafeningly whistling. Mason was still half asleep. Five minutes later, he eventually woke up. Within those five minutes, however, Jackie and Sammy decided to go and get fresh air. They went out with happiness whilst seeing all the amazing birds and animals peering down at them. – **Jamaiah**

Year Four have been writing stories with a mountain setting. Here are some extracts to whet your appetites.

Here Comes the Sun

On Thursday morning, the sun finally came out!

Children in Reception built sun loungers in the outdoor area to soak up the sun. Just in case the clouds came back, they also constructed a camp fire to keep themselves warm.

UN Convention on the Rights of the Child

Article 29: Goals of Education

Y1 Great Fire of London

Y1 gained an insight into The Great Fire of London this week by safely setting fire to models of Tudor buildings made by the children. Mrs Ashworth, one of our Forest School Leaders, started the blaze and the children watched excitedly as the buildings burned.

Curriculum: Summer 2 Topics

Reception

Are We There Yet?

Where in the world would you like to go? How would you like to travel there? Explore these questions and more in this project about transport, travel and places near and far!

Year One

Splendid Skies

Imagine floating high above land and sea on a bed of clouds, silently sweeping by on a billowing breeze. Back down to earth, let's take a walk outdoors. But what should we wear? Wellington boots? A sun hat? Maybe a warm coat? How do we know what the weather will be like today? Read and write poems and postcards, and, if you don't like today's weather report, why not write your own? Make a weather station to find out more about the weather in your area. What weather do you prefer? Sunshine, snow, storms or showers? Get your wellies on and let's go.

Year Two

Movers and Shakers

Are you ready to be inspired by famous people from the past? Take a trip back in time to learn about the lives of significant individuals who have contributed to national and international achievements. Use timelines, stories and historical sources to find out about the people featured and use historical models to explore their significance. Climb aboard your time machine and off you go!

Year Three

Rocks, Relics and Rumbles

Are you ready for an adventure? Understand key aspects of physical geography including climate zones, biomes, rivers, mountains, volcanoes, earthquakes, and the water cycle in this exciting topic. Study fossils such as ammonites and improve your mastery of art and design techniques, including drawing, painting and sculpture with a range of materials.

Curriculum: Summer 2 Topics

Year Four

1066

We're travelling back to 1066, probably the most famous date in English history. These are troubled times and there is danger afoot. A much loved king is dead and a French Duke has staked a claim for our kingdom. Discover a changing England, shaped by shires, protected by castles and ruled by foreign knights. Use the famous Bayeux Tapestry to explore the significant events of 1066. What happened when, and how did William of Normandy come to be called the Conqueror? Design a castle with defences strong enough to hold back the enemy. What about a space for fine dining and revelry? Try and build a happy (but safe) home. You're the architect. Are you ready for the Norman invasion? Then don your armour and watch your back.

Year Five

Sow, Grow and Farm

One, two, three...dig! Learn all about the features and characteristics of land use in agricultural regions across the world in this Geography based unit. Get busy in the kitchen by exploring the benefits of seasonal eating, including food preparation and cooking techniques. Find out about different climate zones and how our food is transported around the globe.

Year Six

ID

Who do you think you are? Are you an extrovert or an introvert, a singleton, a twin or even a triplet? Let's discover what makes you you. From your fingerprints and footprints, to your genes and DNA, everything is unique to you. So why do you look like Mum or Dad, or even Auntie Rose? Explore the world of human identity and how our unique features can be used to tell us apart from others or help to solve a crime. Write reports, adverts and poems on the theme of identity and express your opinions, views and beliefs. Do you like the same things as others, or are your tastes uniquely yours? Then, it's time for some detective work. In the case of the stolen handbag, use your knowledge and skills to solve the crime and identify the culprit. And remember to love being you. Why? Because there's only one you. You're one of a kind.

Sydenham Superstars

YR LS

Matei is star of the week in YR LS for his wonderful drawings. Matei loves to draw animals, especially crocodile and dragons. Look at his lovely octopus!

YR HC

The YR HC superstar is **Timothy**. This week, Timothy made up a wonderful tongue-twister for homelearning. Why not give it a try? "Tiny, tired Timothy tickled his toes. They tasted tasty and tart." Well done, Timothy!

Y1 EL

Eleanor is the Y1 EL superstar for her brilliant story, "Sammy's Adventures Through Africa." Eleanor has used all her Learning Characters this week and has worked independently on her story, building some super sentences and using beautiful handwriting. Well done!

Y1 CD

The Y1 superstar is **Jasmandeep**. Jasmandeep is such a helpful and kind boy who makes a super talk partner. He works independently and always has a go at his learning. Jasmandeep is relocating back to Canada and we will really miss him. Good luck to you and your family, Jasmandeep.

Y2 RK

Miss Knight's superstar is **Julian** who is a little ray of sunshine in the classroom. Julian showed a brilliant growth mindset when struggling to invent an insect earlier on in the week. He took the advice of a friend and looked in some books about real insects and was then inspired to create his own and a brilliant piece of writing about it too, jam packed with interesting word choices.

Miss Knight would also like **Toucan** to get a special mention for helping one person in the class leave his lovely mummy in the mornings.

Y2 CP

Miss Peters has chosen **Arthur** as superstar because of his enthusiasm for writing this week. Arthur has created a brilliant piece of work about his imaginary insect and a super information text about moths. He has shown real determination and stamina. Keep it up, Arthur!

Y3 JL

The Y3 JL superstar is **Nihal** who always impresses in class and on the playground. Nihal consistently tries his best and practises his learning at home. He really shines in maths lessons and is making great progress in English too. Fabulous!

Sydenham Superstars

Y3 CR

Macie is the Y3 CR superstar for being brave in the face of challenges. Macie has been very supportive to others this week and has completed all her learning to a really high standard. We're very proud of you, Macie.

Y4 RK

Mrs Keys' superstar is **Coral**. Mrs Keys has been so impressed by her growth mindset this week as she has challenged herself every day. She has taken part in class discussions and even spoken in a class debate. She has shown that she can speak clearly and confidently with excellent reasoning. In her written work, Coral has also had a go in every lesson and never gives up. Mrs Keys has loved reading her wonderful story. Well done, Coral!

Y4 SM

Mrs Madahar has nominated **Amber** as superstar. Amber challenges herself in every subject and is never complacent. She always remembers to use her frog Learning Character to keep on improving and is a resilient and positive role model to others.

Y5 CB

The Y5 CB superstar is **Demari**. Demari and his family are relocating so he will be moving to a new school. We will really miss you Demari! You are always so full of energy, enthusiasm and great ideas. Good luck!

Y5 JE

Miss Ellershaw has chosen **Roza** as superstar. Roza has demonstrated a wonderful growth mindset in maths this week, never giving up and constantly improving. Well done, Roza. We know your effort will pay off.

Y6 KG

Miss Gillespie's superstar is **KJ** for making a real effort to join in lessons and share his ideas. KJ has shown increased levels of enthusiasm for his learning and an ability to work independently this week. Keep it up, KJ!

Y6 JvS

The Y6 JvS superstar is **Seb**. In his first week at school since relocating from South Africa, Seb has shown himself to be mature, kind, polite and hardworking. Seb has fitted in really well and made friends straight away thanks to his charming nature and warm hearted personality. Well done, Seb.

Other Information

Face Coverings

Please note that the wearing of face coverings on the school site is now discretionary.

Diary Dates

Monday 31st May—Friday 4th June school closed for Whitsun holiday

Monday 7th June 2021	INSET Day—school closed for teacher training.
Tuesday 8th June 2021	Bollywood dance sessions for Y1 and Y4
Monday 14th June 2021	YR vision screening.
Monday June 21st 2021	Forest School Week begins.
Monday June 28th 2021	Sport' Week begins.
Thursday 15th July 2021	Y6 dragon boat racing.
Friday 16th July 2021	Meet your new teacher day.
Wednesday 21st July 2021	Break up for the summer holiday

Thursday 22nd July—Wednesday 1st September school closed for summer holiday

Thursday 2nd September 2021	School closed for teacher training.
Friday 3rd September 2021	School closed for teacher training.
Monday 6th September 2021	Autumn term begins.

Have a lovely half-term break.

Kind regards from Miss Glenny
